## Honorary Pres.

The Muscular Dystrophy Association of Canada announces that Don Messer has been appointed honorary national president of the association.

Born in Tweedside, New Brunswick, Mr. Messer got his first job with his fiddle and bow at Radio Station CFBO, Saint John, New Brunswick. His first orchestra, the New Brunswick Lumberjacks, featured a real lumberjack, Charlie Chamberlain. From therein, the story of Don Messer and his Islanders is one of the most successful in the history of Canadian entertainers. Through his CBC broadcasts, his fame as a musician and prolific composer has spread across Canada.

Mr. Messer joins thousands of Canadian volunteers and fire fighters in their determined bid to support medical research and find a cure for a disease afflicting thousands of Canadian children. The 1962 March for Muscular Dystrophy takes place during the week of Nov. 18.

## Season Tickets On Sale For Basketball

The first home game saw both Vulcan teams beat their opponents, Blackie. The low-scoring girls' game saw the final main score remain at 14-12.

Top scorers for Blackie were Marlene Brackley with four points, followed by Joan Kumlin and Linda Bird with three points each. For Vulcan Susie Robertson netted six points while Marlene Bertschy, Leslie Lucas and Joanne Carnegie hooped two points each.

The boys' score was 46-37. Vulcan led at every quarter but Blackie narrowed the lead in the last quarter. The two scorers for Blackie were Bob Seney and David Stuart with nine points each. They were assisted by Marvin Sultor, Roy Seney and George Gaja with six points each. Gary Hilze and Doug Graham netted a total of ten points each for Vulcan, while John Robinson added another seven points.

Season's tickets were on sale at the door. Although the sales were slow, there is great promise that they will pick up greatly. The ticket holder may see all regular home games from both leagues, that is, the Foothill's Grade 12 League and the County Grade 10-11-12 league. This latter league starts after Christmas.

The next exhibition game is slated to be this Friday, Dec. 14, against Milo.

## Shower Honors

### Miss G. Robinson

Miss Georgina Robinson, bride-elect, was the guest of honor at a miscellaneous shower held at the home of Mrs. Dan Watson, Monday evening, Nov. 26. Fifteen friends were gathered and enjoyed a very pleasant social evening. A gold and white theme was used in the reception room, with the guest of honor being seated beneath a canopy of streamers and wedding bells.

An interesting program was presented by the hostess, with one contest "The Wedding of the Flowers" proving most enjoyable and amusing. This contest was won by Mrs. Roy Fulton.

Little Ellen and Ivan Watson, dressed as a nurse and patient respectively brought in the gifts, which were presented to Miss Robinson by Mrs. Watson, who expressed the good wishes of all present. Mrs. Watson also presented the bride-to-be with a Christmas corsage.

During the serving of a dainty lunch by the hostess assisted by a number of friends, Mrs. Jennie Jensen read tea-cups, which proved very popular with all.

Georgina very graciously thanked her friends for their kind wishes and the lovely and useful gifts for her new home.

## Annual Greeting Edition Dec. 19

Next week the Advocate will publish its annual Christmas and New Year's greetings edition.

Advertisers in Vulcan will be contacted this weekend and those from out of town are reminded to send in their greeting ad order form not later than Saturday, Dec. 15. Considerable extra work is entailed in publishing this annual greetings edition and it will be appreciated if district news correspondents make every effort to get their news copy in as early as possible.

Following usual custom, the Advocate will not be published the week between Christmas and New Year's, with next week's edition being the last for the year 1962.

## Elks and Their Ladies Enjoy Banquet-Dance

The annual Elks' "at home" was held in the Vulcan Lodge Hall on Wednesday, Nov. 28, in the form of a banquet and dance.

Grace was said by Gale Atkinson and the head table was introduced by Pat Walker, who acted as master of ceremonies. The toast to the Queen was given by Mr. Walker. Exalted Ruler Joe Gerdling gave the welcoming address and presented a corsage to Royal Lady Madeline Atkinson of the Royal Purple. A toast to the ladies of the Royal Purple, proposed by Verna Hags, was responded to by Mrs. Atkinson.

Enjoyable entertainment was provided by George Stephenson of Calgary and Fraser's Orchestra supplied the music for the dance.

## To Form New Committee

## Board of Trade Discusses Children's Day, Decorating

The December Board of Trade meeting held in the New Club Cafe dealt mainly with the approaching visit of Santa to Vulcan on Dec. 22, and from the discussions came recommendations designed at clarifying the responsibilities involved with the business end of the kiddies' day.

One suggestion concerned a change in date for future Christmas Kiddies' days to the second Saturday before Christmas Day. Previously at a special meeting of the sponsoring bodies the date was set at the Saturday before Christmas providing it is no closer than three days before Christmas.

Sponsoring the annual event are the Elks Club, Lions Club, Vulcan Branch Canadian Legion and the Board of Trade.

The Board of Trade will recommend the setting up of a joint committee to handle the organization of the kiddies' day with two representatives coming from each group and from the Town of Vulcan.

It was decided not to give Christmas trees to merchants this year but a commercial section has been added to the decorations contest being held and it is hoped merchants will provide their own trees as a focal point of outside decoration. The town and rural decorations competition will be sponsored by the Board and will be in two classes, Christmas theme and lighting effects. Judging will be done during Christmas week.

Clarification of the town's position regarding financial assistance for the erection of a highway sign was made by Mayor M. R. Morrison who explained that the town would pay one-half the deficit after various organizations had purchased space in the sign, if such a deficit did occur. It was felt participating organizations would be charged \$50 a plank.

Information on banners and other decorative materials which can be used during the town's 50th Anniversary celebration next year, was given by Dave Mitchell. It was suggested each merchant might buy one string of flags or banners to reach across the width of the street.

The matter of inadequate Grey-

hound bus service to town was brought up with general disapproval of its present location out on the highway, being felt. President Doug Wilson and Stan Seales were instructed to make the complaint known to the company involved and attempt to have the Vulcan Hotel as the stopover spot for this service.

The Board of Trade will once again sponsor the 1963 Agricultural Short Course and it was moved that the annual meeting with a noon luncheon be held at this same date.

At the conclusion of business colored travel films were shown by the Lethbridge office of P. Lawson Travel Agency.

The meeting was opened by singing "Joy to the World" and roll call was answered by a bible verse about a shepherd. There were 23 members and three visitors present. Guest speaker, Jack Deans Sr. brought an inspiring devotional on the Birth of Christ. Fulfillment of Prophecy. A short program followed with a contest and a reading entitled "Inside Christmas" by Mrs. Myrtle Rutberg.

Christmas cards were signed and sent to the shut-ins. The Christmas pie, a novel gift exchange was enjoyed by those present. A dainty lunch was served by the hostess assisted by a lunch committee and a vote of thanks was given.

However, despite it being mid-December and high time for such seasonal doings, the tree seems almost to have missed its season.

For this we may blame the lack of snow. A light fall early this week helped the picture but about six or eight inches would complete the surroundings and bring home to everyone a fact that has been overly slow in registering which is that the Christmas season is truly here and it's time to be up and doing something about it.

Stores are taking on the Christmas look with lights and decorations welcoming the shopper to counters full of suggestions for the list of gifts.

White Christmas Not Yet Assured

Stores Open On Dec. 17-24-31

As a convenience for shoppers and in view of the fact that stores will be closed two days at Christmas — Tuesday and Wednesday, Dec. 25-26, and two days at New Year's — Tuesday and Wednesday, Jan. 1-2, the Retail Merchants Section of the Board of Trade has announced that Vulcan stores will remain open the last three Mondays in December — Dec. 17, 24 and 31. Other than being open on Mondays, store hours will not be changed from the usual pattern — remaining open regular hours during the week before Christmas and until 9:00 p.m. each Saturday.

## Les Warden M-F Manager At Saskatoon

The appointment of L. R. Warden as manager of the company's Saskatoon branch was announced recently by W. J. Forsythe, General Sales Manager Canada, of Massey-Ferguson Limited.

Mr. Warden succeeds J. W. D. Cowie who is moving to the company's North American Operations headquarters in Toronto.

Born and educated in Alberta, Mr. Warden is a graduate of University of Alberta where he obtained his B. Sc. in agriculture. Since graduation he has spent his entire career in farming or the farm implement industry, apart from four years' war service.

He owned and operated a farm at Vulcan, Alberta for nearly five years. In 1950 he joined Massey-Ferguson. Since then he has held management positions in three of the company's western branches. He was for four years sales supervisor at Edmonton, for a year assistant manager at Saskatoon and until his recent appointment was sales manager of the Calgary branch.

## Early Resident, Dies in Ontario

A farmer at one time in the Armada and Vulcan district, Stewart M. Galbraith died at Newmarket, Ont., on Dec. 1, at the age of 88.

Born at Orangeville, Ont., Dec. 27, 1874, Mr. Galbraith graduated with a B.S.A. from the Ontario College in 1905. He was an agronomist for the South African government in the Orange River Colony for five years, after which he came to Alberta and homesteaded east of Vulcan and Armada. He opened a brokerage office in Calgary in 1925 but returned to farm at Vulcan and Armada in 1930. Retiring in 1944, he lived at Agincourt, Ont., since then.

While in Calgary he was a member of Zetland Lodge, AF & AM, Otuskan Chapter RAM and Cypress Preceptory KT and in later years was a member of the Masonic Lodge in Agincourt. He was always interested in community affairs and took an active interest in the early Social Credit movement.

He is survived by two brothers, D. Harcourt of Bowness and A. Clark of Calgary, and two sisters, Sadie of Agincourt and Mrs. Mary Chapman of Orangeville. Services were held at Knox Presbyterian Church, Agincourt.

## Christmas Party At Clubhouse

Among the many organizations busy planning Yuletide fun is the Vulcan Golf and Country Club whose Annual Christmas party is set for Monday night, Dec. 17.

There will be entertainment, dancing and a midnight supper at this event and the decorating committee will be up on ladders this weekend in preparation.

The yearly Open House is set for Boxing Day when members and guests will enjoy a social afternoon at the clubhouse.

A major change in policy regarding use of the clubhouse for outside organizations will be sought at the annual meeting of the club in March of next year. Since the club was formed rental of the premises has been discouraged but with the increasing costs of operation facing the executive it is felt the premises could be rented under certain conditions and at their discretion.

## Health Unit Service

## Oral Polio Vaccination Campaign To Start Jan. 21

The mass vaccination campaign which was originally scheduled to start in November, will now commence on the 21st of January, 1963. The second and last feeding will start on the 18th of March, 1963.

Sabin vaccine will be offered to all persons who have completed a course of inoculations with Salk vaccine. Such a course of inoculations consists of three doses of Salk vaccine administered alone, or in the form of Blad (Polio and Tetanus) or four doses when administered in the form of Quad (Polio, Tetanus, Diphtheria and Whooping Cough). The course of inoculations must have been completed not less than one month before Sabin vaccine is taken.

It follows therefore that any person who requires one more injection of Salk vaccine in order to complete the course, must ensure that this is done before the 21st of December, 1962. Any person not sure of the number of Salk doses he has received, is strongly advised to contact the nearest Health Unit office as soon as possible.

School children will be given Sabin vaccine during school hours, provided that the special consent forms, which will shortly be distributed, are signed and returned to the schools.

Pre-school children and adults will be given the vaccine at special

clinics to be held throughout the Health Unit area, during the two weeks commencing on the 21st of January, 1963. Vaccine will not be given at the Regular Well-Baby Clinics, but the Sabin clinics will be held in all the usual clinic centres. Evening sessions will be organized where necessary. Dates and times of individual clinics will be announced at a later date.

The vaccine, which is pleasantly flavored, will be administered on lumps of sugar in the majority of cases, but spoons will be available for infants.

The success of this extremely important campaign, is going to depend on those members of the public who volunteer to assist at the clinics and schools. It is estimated that a pool of 25 to 50 volunteers will be required at each centre. It is most important that at least one registered nurse be amongst each group of volunteers.

As the administration of smallpox or yellow fever vaccine within 21 days is a contra-indication to Sabin vaccine, the Health Unit will discontinue routine smallpox vaccination from the 31st of December, 1962, to the 20th of April, 1963.

Special arrangements will be made for the feeding of vaccine to patients in hospitals and institutions, subject to the consent of their private physicians.

## Arrowwood Gets Sewer Project

Lawrence Kindt, M.P. for Macleod, has announced that he has been informed by the Honourable E. Davie Fulton, Minister responsible for the operations of Central Mortgage and Housing Corporation, of the approval of a Federal Government loan of \$10,115 to the Village of Arrowwood to assist in the construction of a sewage treatment project.

Made under Part VI-B of the National Housing Act, the loan is for a term of 25 years with interest at 5% per cent per annum. The loan is based on an estimated cost of \$15,172.

The Village of Arrowwood has no piped services with the result that private sewage disposal facilities are contaminating the soil and water supply. The municipality will install a complete sanitary sewer system. The NHA loan will assist in the construction of a two-cell seven and one half acre sewage stabilization pond and approximately 1,600 feet of eight-inch

gravity collector sewer. Under Part VI-B of the National Housing Act, Central Mortgage and Housing Corporation may make a loan to a municipality or to a municipal sewerage corporation for the purpose of assisting in the construction or expansion of a sewage treatment project. A project must be part of an overall plan for the elimination or prevention of water and soil pollution.

## Children Warned To Watch and Wait, Santa Claus Is Coming To Town

Children who have been falling all over themselves in an effort to be good and warrant the best Santa has to offer, have only 10 more days to wait until they will see the old gent in person.

Saturday afternoon, Dec. 22, all children of the town and district are invited to be at the Christmas tree in downtown Vulcan at 2:00 p.m. and have their eyes cast up the street and into the afternoon sun because Santa will be jingling his way to them on his trip to all good little boys and girls across

the purpose of assisting in the construction or expansion of a sewage treatment project. A project must be part of an overall plan for the elimination or prevention of water and soil pollution.

The Vulcan Elks, Lions Club, Legion and Board of Trade have made arrangements for Santa's annual visit and special afternoon for the kiddies. He'll be here to take each child on his knee, ask a question or two and take their order for Christmas before he presents them with a bag of treats.

Following the get-together with Santa the youngsters will be invited to a free show at the Vulcan Theatre to round out the afternoon.

The December meeting of the C.W.L. was held at the home of Mrs. Bob Hubka on Dec. 6.

The secretary reported that a letter had been received from Mrs. McAlpine in which she enclosed a generous donation to the building fund. A letter expressing the C.W.L.'s sincere thanks had been mailed to Mrs. McAlpine. Correspondence was read from the C.W.L. Diocesan Convener of Legislation and the questionnaires concerning this will be answered and returned. The box of toys to be sent to The Creche, under the sponsorship of Mrs. Kryzanowski, will be taken to Calgary very shortly.

It was decided to bring Catholic literature to Mrs. Parker's house early in January so that it can be mailed to a mission. Spiritual convener read a Christmas story, "Christmas in the Jungle." Father Marien announced that mid-night Mass would be held in the local church for the first time.

#### HOME & SCHOOL ASSOCIATION

The Nationality Supper, sponsored by the Home and School Association was an outstanding success, with an excellent turn-out. It was most encouraging to receive such support.

The Queen Dramettes under the direction and leadership of Mrs. Hwozdecki, sang a number of Christmas Carols of different nationalities, which was greatly enjoyed by everyone, especially the friends who were waiting in line to receive their supper. They were accompanied on the piano by Mrs. Lenor Baldwin.

Miss Lillian Letal looked charming dressed in an authentic Czechoslovakian native costume which was brought over to Canada in 1927 by Mrs. Letal's mother. She also displayed a beautiful doll on the table, in a similar costume.

The year of 1962's activities were brought to a most successful conclusion for the Carmanagay Home and School Association.

#### NORTH PRISCILLA CLUB

The North Priscilla Club met at the home of Lydia Anderson with 10 members present. The roll call was answered with a home-made Christmas decoration which was most interesting.

The draw for the Sunshine Friends and election of new officers will take place on Jan. 9. This meeting will be held at the home of Hazel Lyckman. The roll call will be, "Bring all your old nylon stockings." These will be sent away to needy countries where they are made into useful articles. The club members were also asked to save old postage stamps for Miss Eberly. The practice of giving a cup and saucer to members who are ill will be continued in the new year.

A contest conducted by Mrs. Hettie Teskey was won by Mrs. Martha Nelson. The raffle was won by Mrs. Hazel Lyckman.

The hostess served a delicious lunch. The Christmas theme was used for the table decorations. The members exchanged Christmas gifts. A very enjoyable time was had at this last meeting of the year 1962.

There are many things to do and be done in preparation for the festive season; won't you try to keep an evening free and come to your Home and School Christmas meeting? One that a few people have spent a lot of time preparing just for you.

JOHN DAUB

Word was received here last week of the death of John Daub of Calgary, formerly of Champion. Mr. Daub was born at St. Clement, Ont., and moved to Champion from North Dakota in 1905, where he farmed until moving to Calgary. He was 93 years of age. He is survived by two sisters, Mrs. Mary Muckenhelm of Calgary and Mrs. Annie Wellheiser of Kitchener, Ont.

Requiem High Mass was celebrated from St. Mary's Cathedral on Monday, Dec. 10. Interment was in St. Mary's Cemetery.

**STUDENTS' UNION**

All activities of the students during the Christmas season were discussed at the recent meeting of the Champion Students' Union. Among other activities, the Christmas Ball, a students' gift exchange and a Christmas party were mentioned. All received detailed discussion and the meeting lasted for approximately one hour with the president, Peter Versluys, conducting the meeting.

It was decided that the annual Christmas Ball will be sponsored by the Home and School Association, with the assistance of the Students' Union. A donation to UNICEF will be made instead of the gift exchange.

A Christmas party on the closing day of school will be held as usual for the members of the Students' Union.

**SPECIAL PROGRAM**

A special program of short plays, dances, songs and readings was presented last week at the regular MIA of the Church of Jesus Christ of Latterday Saints.

The program entitled, "An Evening In Social Hall," depicted a typical evening of entertainment as it would have been presented in the mid-1800's in Salt Lake City Theatre by the early settlers of Utah. Groups from Vulcan, Champion and Carmangay presented short dramatizations.

Lorne Smith sang, "Wait For The Wagon." "Curfew Shall Not Ring Tonight," performed by May Nelson and a monologue by Gracemary Seebeck were very well received. Two favorite dances were performed under the direction of Jim and Rhonda Minty, the dance directors. The Vulcan group starred Margery Bateman and Dixie Jackson as two elderly ladies of that pioneer era catching a glimpse of to-day as portrayed by Lola Kay Nelson, Fay and Rose Ann Findlay, Karen and Lorne Bateman, in, "Somethings Never Change."

From Carmangay came Dr. Bright and Miss Dim Witt (Kathy Smith and Cheryl Minty) with Linda Volk, Myrna Minty, Colleen Coe and Vikki Skriver in a skit which delighted the audience.

"The Helpful Family" from the Champion group with Terry Smith

as Papa, Linda Bateman as Mama and Bette Ellis as Grandma, presented a real problem as all were too busy to shorten Papa's pants. When the whole family decided to be co-operative the result was disastrous. Others in the play were Marlo Griffin, Lorraine Smith, Billy Ellis, Lorne Smith, DaVeeda Puzey, Barbara Ellis and Eddy Carlson. Erva and Bud Stout ably introduced the numbers. The participants were attired in costume of the 1800's and an appreciative audience gave the youthful players much encouragement through their generous applause.

Over the past five years 649,005 new housing units have been completed in Canada.

#### FRIDAY BEEF AND FEEDER SALE, DEC. 7th—

We had a lot of good beef on offer. The cover crop and low finished cattle sold at satisfactory prices but the buyers wanted to buy the long fed, better finished cattle at these same prices and as a result we "passed out" most of this type. We didn't think that the present or future market conditions were as bad as the picture they painted. Our advice is don't panic with your selling and contact us before you sell direct to a livestock buyer. It stands to reason that they won't buy unless the deal is lucrative to them.

Medium to Good Quality Steers \$23 to \$24.70; Medium to Good Quality Steers \$21 to \$23; Good to Low Choice Butcher Cows \$13 to \$14.50; Medium to Good Butcher Cows \$11 to \$12.50; Canners and Cutters \$5 to \$10 or subject.

#### SATURDAY SALE, DEC. 8th—

Weaner Pigs \$6 to \$11; Feeder Pigs \$11.50 to \$32; Piggy Sows \$50 to \$80; Boars \$15 to \$45; Milk Cows \$150 to \$255.

Noble Bros. had a good sale with their bull calves selling for an average price of \$302.50; the heifer calves averaged \$190.

### JACK PLECKAITIS

9840 - 162nd St. Jasper Place, Alberta

It was a warm summer day. Twelve-year-old Jack Pleckaitis and some friends were having a day's outing at Lakeview Resort on Cooking Lake, east of Edmonton.

The boys were having a wonderful time. The game of baseball had been fast and furious. They decided to cool off and go wading in the lake.

The lake was very shallow and the cool water made the children shout with delight. One of the children, Margaret Barron, started screaming, but the cries were mistaken for the normal noise of just having fun.

Margaret had fallen into a hole which had been trenced out for boats to come into dock. The warning signs had been blown down by a high wind.

Our alert young Jack suddenly realized Margaret's predicament and dove into the water to rescue her. His quick action was worthy of special notice because Jack had just learned to swim himself a few months before and was anything but sure of himself in the water.

The editors of Alberta's weekly newspapers join with us in congratulating Jack and his parents, Mr. and Mrs. J. Pleckaitis, and extend best wishes to them.
